The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)

We have a duty under the Education Act 2002 and the Children Act 2004 to safeguard and promote the welfare of children and to safeguard and promote the welfare of school personnel and people who use the school under the Health and Safety at Work Act 1974.

We believe it is essential to have in place exceptional school security systems to protect pupils, school personnel, visitors and equipment. Parents need to feel confident that everything has been done to create a safe and secure working environment for their children. Our principal aim is to ensure the personal safety of the whole school community.

We are aware that all members of the school community are vulnerable to assault from intruders while in the school building or school grounds. We believe that a person or a group of people found on the school premises who have not followed correct visitor procedures can best be described as intruders. In such a situation school personnel are advised to assess whether the intruder is or is not a security risk before challenging the individual/s to establish their identity and the purpose of their 'visit'.

School personnel must be aware that intruders might be visitors with legitimate school business or they may be individuals who may pose a security risk. School personnel have a duty to assist in the personal safety of the whole school community by dealing with all

suspicious persons who appear on the school premises or grounds in a calm non-confrontational manner.

We have a duty to make the general public aware that the school is not a public place to which they are entitled to have access. Any person who enters without permission is a trespasser and should be asked to leave. However, trespass is not a criminal offence but if a trespasser refuses to leave the school premises, or re-enters after being asked to leave or causes a disturbance could be committing a criminal offence under section 547 of the Education Act 1996.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
