Introduction

This is a successful school and you and your child play an important part in making it so. We aim for an environment which enables and encourages all members of the community to strive for excellence. For our children to gain the greatest benefit from their education it is vital that they attend regularly and your child should be at school, on time, every day the school is open unless the reason for the absence is unavoidable.

It is very important therefore that you make sure that your child attends regularly and this Policy sets out how we will achieve this together.

Aims

Our attendance policy aims to:

- Support our pupils and their parents/carers in the establishing and maintaining the highest possible levels of attendance and punctuality.
- Ensure that all our pupils have full and equal access to the best education that we can offer in order to meet their individual needs and increase access to learning and therefore achievement.
- Enable our pupils to progress consistently and with confidence through our school.
- Ensure that parent/carers are aware of their legal responsibilities for their child's attendance at school.
- Ensure that our attendance meets Government and Local Authority guidelines and targets.

Being in School: Why Regular Attendance is so Important

There is much evidence from research that clearly demonstrates the positive link between regular, good attendance and educational progress and attainment. School education therefore forms the vital foundations of a child's life.

Learning: Any absence affects the pattern of a child's schooling and regular absence will seriously affect their learning. Any pupil's absence disrupts teaching routines so may affect the learning of others in the same class.

Ensuring your child's regular attendance at school is your legal responsibility and permitting absence from school without a good reason creates an offence in law and may result in prosecution.

Safeguarding: Your child may be at risk of harm if they do not attend school regularly. Safeguarding the interests of each child is everyone's responsibility and within the context of this school, promoting the welfare and life opportunities for your child encompasses:-

- Attendance
- Behaviour Management
- Health and Safety
- Access to the Curriculum
- Anti-bullying

Failing to attend this school on a regular basis will be considered as a safeguarding matter.

Our School Community Attendance Expectations

We expect that all our pupils will:

- attend school every day.
- attend school punctually.
- attend appropriately prepared and equipped for each day.
- be able to tell class teacher or family liaison co-ordinator if there is anything that might be affecting their attendance.

We expect that all parent/carers will:

- ensure their child's regular attendance at school and be aware of their legal responsibilities.
- ensure that their child arrives at school punctually every day and is prepared for the day ahead.
- ensure that they contact school daily if their child is absent or if they know in advance that their child will be unable to attend school.
- contact school immediately whenever a problem occurs that may cause their child to be absent. Our Family Liaison Coordinator will offer advice and support if required.
- notify school of any home circumstances that might affect the behaviour, engagement and learning of their child.
- notify school immediately of any change to contact details.

We expect that the school will:

- provide a welcoming atmosphere.
- provide a safe learning environment.

- provide an understanding response to any child’s or parent’s concerns and signpost to services for support.
- keep regular and accurate records of AM and PM attendance and punctuality, monitoring individual pupils’ attendance and punctuality.
- investigate all unexplained absences to obtain reasons from parents. Although parents may provide a reason, only school can authorise an absence. In cases of long-term or regular absence due to medical conditions, **verification from a GP or other health service may be requested**; this may be done by our School Nurse.
- encourage good attendance and punctuality through a system of reward and recognition, both at an individual and class level.
- regularly inform parents of the percentage attendance of their child.
- make initial enquiries regarding pupils who are not attending regularly or are absent for an extended period of time. **The Family Liaison and Attendance Co-ordinator may carry out unannounced home visits.**
- work with other agencies and services to ensure that appropriate provision is available for individual students’ needs to support good attendance
- meet regularly with the Education Social Welfare Service for advice and to monitor and support attendance and punctuality.
- refer sporadic, unexplained and persistent patterns of absence to the Education Social Welfare Service. Failure by a family to comply with planned support from this service may result in further actions such as an Education Penalty Notice, parental prosecution or an Education Supervision Order.
- notify the Local Authority after 15 days of sickness.
- notify the Education Social Welfare Service after 10 days of unexplained absence.

Please note that under Section 23 of the Anti-social Behaviour Act 2003 gives Head teachers the power to issue Education Penalty Notices in cases of unauthorised absences from school. The responsibility for issuing Penalty Notices in Wirral will rest solely with Wirral Council. (see Code of Conduct: Education Penalty Notices for Unauthorised Absence and Exclusions, Wirral Children and Young People’s Department)

Different Types of Absence

The lists below are not definitive or exhaustive. The Headteacher may decide on an individual basis whether absence is authorised. The unauthorised absences given are only illustrative.

Registration and Punctuality

The School Day starts at 8.50am.

Punctuality to school is vital in avoiding disruption to an individual's and class's learning. It is therefore crucial that all pupils arrive at school on time. Children can safely access the school grounds with adult supervision at 8.40am. Children can enter school through the Key Stage entrances from 8.50am. The School Gates are closed at 9am.

- Legally, schools are required to take a morning and afternoon register to record the attendance or absence of every pupil
- Registration starts at 8.50am. **Pupils who arrive after 9.00am will be recorded as late.**
- If a child arrives to school late after 9.30am, lateness is recorded as an unauthorised absence (U). This affects a child's attendance and if persistent, can result in a parent facing the possibility of a Fixed Penalty Notice
- Afternoon registration is taken at the following times:
KS1: 1.00pm
KS2: 1.15pm
- Persistent lateness will be addressed by the Family Liaison Co-ordinator and may result in Wirral Council issuing a £60 Education Penalty Notice. Parents can approach school at any time if they are having problems getting a child to school on time.
- Pupil's attendance and punctuality is recorded on their academic report and will be passed on to future schools, including secondary, as required.

Make Every Minute Count...

LATENESS = Lost Learning (Figures are calculated over a school year)

<u>Minutes Late Each Day...</u>	<u>Equals Days Lost...</u>
5 Minutes	3 Days
10 Minutes	6.5 Days
15 Minutes	10 Days
20 Minutes	13 days
30 Minutes	19 days

Appointments during the Day

As appointments during the day disrupt pupils' individual and group learning, we politely request that routine appointments such as GP, dentist and optician, are made out of school hours where possible.

School staff are legally in loco-parentis during school hours and therefore are required to know where pupils are during this time. Where such appointments are unavoidable:

- Prior permission must be received before a child will be allowed to leave school.
- If a pupil leaves school premises without permission, parents will be contacted immediately. In the event that parental contact is unsuccessful, it may be appropriate in certain circumstances to inform the police and report the pupil as missing.

Absence Intervention Procedures

If your child is absent you must:

- Contact school on 0151 677 5381, or email schooloffice@lingham.wirral.sch.uk, as soon as possible on the first day of absence.
- Send a note in on the first day they return with an explanation of the absence – you must do this even if you have already telephoned us.

If your child is absent:

- We will telephone or text you on the first day of absence if we have not heard from you. We may carry out a Home Visit if contact is not made and attendance concerns are ongoing.
- We will telephone or text other contacts you have provided if we are unable to make contact with you. This is in light of updated safeguarding guidance.
- Your child's class teacher will have a discussion with you if attendance falls below 97%. (We appreciate that 97% during the first half-term of the academic year is less than 1 day of absence, we will therefore monitor attendance closely during the first half-term. If your child misses 3 days then school attendance procedures will be initiated.
- We will send you a concern letter if attendance falls below 95%.
- Invite you in to discuss the situation with our Family Liaison Co-ordinator if absence does not improve (between 90% and 95%)
- Invite you before a School Attendance Panel meeting if absence continues to cause concern.
- Persistent Absence with no reason provided by parent/carer may result in a request to the Education Social Welfare Service for a £60 Education Penalty Notice.
- Refer the matter to the Local Authority Education Social Welfare Service if the above interventions have not resulted in sustained improved attendance.

Holidays and Leave of Absence During Term Time

Taking holidays in term time will affect your child's progress as much as any other absence and we expect parents to help us by not to take children away in school time.

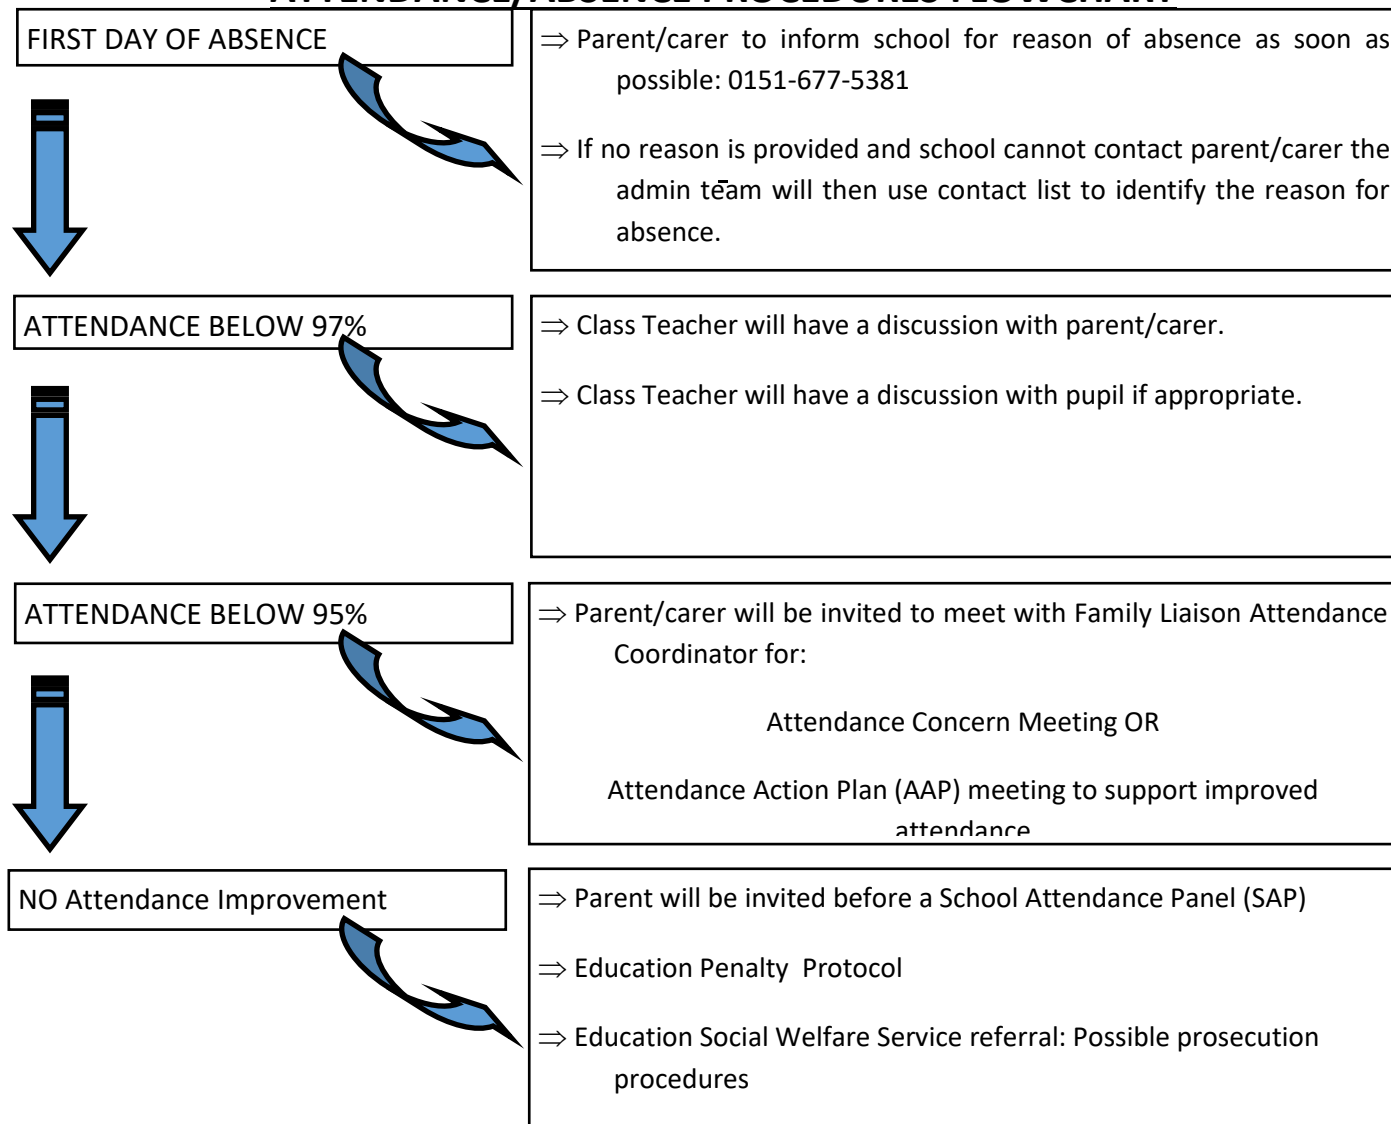

Remember that Headteachers are not permitted to grant holidays in term time, except in exceptional circumstances, and may result in a £60 Education Penalty Notice being issued.

If you would like to request leave for your child, please complete an Application for Leave During Term Time form and return it to school for authorisation at least two weeks before the proposed leave. These are available on the school website or from the office. You will then be contacted to discuss your request before a decision is made.

Education Penalty Notice Code of Conduct:

You can access Wirral's Code of Conduct for Education Penalty Notices for Unauthorised Absence and Exclusions on our school website using the following address <http://www.linghamprimary.co.uk/> and following the links.

ATTENDANCE/ABSENCE PROCEDURES FLOWCHART

If attendance and punctuality are persistently poor despite intervention and support from school, or there is little or no parent/carer engagement in addressing concerns, school may consider a referral for multi-agency support or statutory services intervention. **“Enjoy!
