Dear Parents,

Many thanks to all 157 of you who kindly completed our recent questionnaire.

The results were again overwhelmingly positive and it is encouraging to know that our parents are generally very happy with our school. This mirrors the children's extremely positive views of their school.

Please see over the page for a summary of the parental questionnaire. The percentages have been calculated from the number of either positive or negative responses we received. Some statements were not relevant for some parents. The percentages have been rounded to the nearest whole number.

Whilst all this is good news, we will obviously endeavour to improve further and take your suggestions into account over the coming terms. We have already actioned some of the suggestions you made. Please do speak directly to your child's teacher if you are concerned about amounts of homework or any other issues. We endeavour to respond quickly to parental queries and concerns. Staff are available at the end of the day, during Parents Evenings or by appointment. Please telephone the school office staff, who will be only too happy to help.

Yours sincerely

PJMalcolm
